PRO SN 30.1.14

I am inclined to agree with the proposal to treat the officer as declining the appointment unless he chooses to withdraw on the ground that it would be better to proceed as a private individual rather than as a Government servant.

30.1.14

I agree. Even this technical difficulty would be removed if his resignation is now ordered to be accepted from the date of handing over charge to proceed on leave.

Agreed

What will be the amount? It will be much less certainly calculated on single 3rd class basis?
